Dear students,

a warm welcome in Regensburg. The Student Union Lower Bavaria / Upper Palatinate (Studentenwerk Niederbayern/ Oberpfalz) would like to help you with your search for an adequate accommodation. In this leaflet, you can get a short overview over ten residential complexes with all in all more than 1.500 apartments provided by the Studentenwerk.

All apartments are furnished and have internet access. The rents are "rent including heating", i.e. including service charge advance payments (e.g. electricity, water, heating, waste collection charges, internet etc.). The service charges factually accruing are billed on an annual base.

The non-interest-bearing rental collateral (coll. deposit) currently amounts to EUR 260,-.

For mobility-restricted students, there are 36 adequate apartments.

Students from all over the world live in the residential complexes of the Studentenwerk. Tutors shape the living together and organise events in order to form friendships.

You can apply for an apartment at the International Office of your respective university:

Please note: Do not apply directly at the Studentenwerk.

Additional information can be found in the field of Student Living:
